

**PRESS RELEASE****OJK DELEGATES CAPITAL MARKET LICENSING AUTHORITY  
TO REGIONAL OFFICES, EXPEDITES LICENSING**

---

Jakarta, August 29, 2025. Indonesia Financial Services Authority (OJK) launched Integrated Licensing and Registration System SPRINT for Underwriter Representative, Securities Broker Representative and Individual Investment Advisor to continuously improve Capital Market, Derivative Finances, and Carbon Exchange (PMDK) licensing services effectivity.

The PMDK SPRINT was launched by Chief Executive of Capital Markets, Financial Derivatives, and Carbon Exchange Supervision of OJK Inarno Djajadi in Solo, Tuesday (26/08).

With the SPRINT launching, the licensing authority for Underwriter Representative, Securities Broker Representative and Individual Investment Advisor will be delegated to OJK Regional Offices from OJK Headquarters.

PMDK Financial Services Business Actors in the regions can now apply for Underwriter Representative, Securities Broker Representative and Individual Investment Advisor license at these offices:

1. OJK North Sumatera Provincial Office
2. OJK South Sumatera Provincial Office
3. OJK West Java Provincial Office
4. OJK Central Java Provincial Office
5. OJK East Java Provincial Office
6. OJK Bali Provincial Office
7. OJK East Kalimantan and North Kalimantan Provincial Office, and
8. OJK South Sulawesi and West Sulawesi Provincial Office

The licensing authority delegation to OJK Regional Offices is a milestone in creating close, efficient, and timely licensing services. By strengthening regional OJK Offices roles, the development of capital market, derivative finances, and carbon exchange will be more inclusive and beneficial to the national economy.

The strategic measure aims to improve licensing services effectivity, bring licensing services closer to the financial services business actors in the regions, as well as to promote Capital Market, Derivative Finances, and Carbon Exchange regional developments.

OJK ensures SPRINT will be enhanced as a measured and transparent licensing platform adaptive to technological developments and the industry's needs.
